Parental/Guardian Consent Form

We are sending you this parental consent form to both inform you and to request permission for your child's photo/image and personally identifiable information to be published on the parish or Diocesan website. As you are aware, there are potential dangers associated with the posting of personally identifiable information on a web site since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we as a Catholic parish do want to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child.

Pursuant to law, we will not release any personally identifiable information without prior written consent from you as parent or guardian. Personally identifiable information includes student names, photo or image and locations and times of class activities (examples – Glory Hole, sandwich ministry, Stations of the Cross, VBS, Catholic Kid's Camp and Catholic Youth Camp) If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time in writing by sending a letter to the Director of Religious Education and such rescission will take effect upon receipt by the parish.

Check one of the following choices:

I/We **GRANT** permission for a photo/image that includes this student without any other personal identifiers to be published on the school and/or district's public Internet site.

I/We **GRANT** permission for this student's photo/image and name to be published on the parish or Diocesan websites.

I/We **GRANT** permission for this student's photo/image and all other personal identifiers listed above to be published on the parish and/or Diocesan newsletters or other publications in print.
