Natural Family Planning

Natural family planning (NFP) is a science-based approach to understanding fertility. The knowledge obtained from learning how to identify and interpret the body’s fertility signs empowers couples to live their vocation to the fullest in harmony with God’s plan for married love. NFP is a healthy choice because it respects the body’s natural cycles and can help a couple successfully postpone pregnancy without the risks and complications of hormonal contraceptives. More than that, NFP can be incredibly valuable for couples carrying the cross of infertility who wish to conceive.

Nathan and Elizabeth Hoxie are certified Couple to Couple League International teachers and offer several different courses (main series, postpartum, perimenopause, and mother/daughter). Please call or email for more information!

Social Distancing—Please be aware when you take a seat in the Church to stay at least 6 feet away from others. It is a big church so spread out! Also, during Communion don’t be in a hurry, give each other space!

Feeling Crafty? Is anyone else in our Saint Paul’s family crafting and creating to get through Covid times? Would you be interested in helping me raise some money for our church with a holiday craft fair? I’ve been thinking of putting one together—possibly a virtual craft fair this year! More details to come, but I’d love for you to reach out to me if you are interested in donating handcrafted/made with love items. Text or call Kelsey 907-350-9059.

Prayer to the Joy of the Resurrection

O Mary, you always shine on our path as a sign of salvation and of hope. We entrust ourselves to you, Health of the Sick, who at the cross took part in Jesus’ pain, keeping your faith firm. You, Salvation of the Roman People, know what we need, and we are sure you will provide so that, as in Cana of Galilee, we may return to joy and to feasting after this time of trial.

Help us, Mother of Divine Love, to conform to the will of the Father and to do as we are told by Jesus, who has taken upon himself our sufferings and carried our sorrows to lead us, through the cross, to the joy of the Resurrection. Amen.

Prayer to Mary During the Coronavirus Pandemic

Prayer for a Spiritual Communion

St. Alphonsus de Liguori

My Jesus,

I believe that You are present in the Most Holy Sacrament.

I love You above all things,

and I wish to receive You into my soul.

Since I cannot at this moment receive You sacramentally,

come at least spiritually into my heart.

I embrace You as if You were already there and unite myself wholly to You.

Never permit me to be separated from You. Amen.

If you live in Juneau, you can help strengthen community ties by supporting our elders’ desire for independence. Maybe some wood needs to be chopped, or a dog needs a walk -- or maybe the elder would benefit from visits and companionship.

Welcome to Friends of Seniors, a new volunteer program in Juneau designed to strengthen independence in seniors 60 years and over, and to ease their physical and emotional isolation.

Our volunteers:

- Shop and cook meals
- Shovel snow
- Provide light housekeeping
- Assist with technology, including video calls to friends and family
- And, most importantly, foster mutually meaningful relationships

As a volunteer, you will help in ways that are unique to you, depending, in part, on your own skills and interests. And you will receive plenty of training and support to help ensure success. Part of that training is about safety — our volunteers make sure that Covid infection control protocols are followed. If you don’t feel comfortable inside someone’s home, there are plenty of ways to help that don’t include contact. A little of your time means a lot!
