Stewardship

**Palm Sunday of the Passion of the Lord
Weekend of April 12/13, 2025**

In the prelude to today's great Passion Narrative, Saint Paul reminds us that we find our hope in the "emptiness" and "humility" of Christ Jesus; a life that led to the cross, but through the cross, to glory and exaltation. The way is not easy. Good stewards know that it requires a willingness to lay aside all rights of personal privilege; emptying ourselves in the service of others; embracing values different from the values of the world. It requires an understanding that to be "in Christ" means to be a servant because Christ came into the world, not as Lord but as servant. What crosses are we willing to carry? What worldly values we are willing to forego in order to share Christ's glory?
