Stewardship

Fifth Sunday of Lent

Weekend of April 5/6, 2025

Strong words come from Saint Paul in today's second reading. He reveals in no uncertain terms that life in Christ is our goal. Everything else, he maintains, is "rubbish." Junk. Trash. Garbage. Is that true? Is everything else "rubbish" compared to deepening our relationship with the Lord? What about putting recreational activities ahead of attending Mass? Or preferring uninterrupted hours playing the latest video games or watching TV to spending time in a bible study group, choir practice or serving in a soup kitchen? Or keeping late hours at work over sharing the gospel with friends and neighbors? To what extent do we exercise stewardship over our relationship with Christ?
