Stewardship

Pentecost Sunday
Weekend of June 7/8, 2025

In today's first reading we encounter the Holy Spirit who at Pentecost came rushing in over Jesus' followers like a powerful wind. It must have been a frightening experience for them. But their great acts of prophetic witness began when the Spirit drew them out of their "comfort zones." Jesus said the Holy Spirit, like the wind, blows where it will; into the lives of good stewards, empowering them to perform wondrous acts of healing, reconciliation and evangelization; encouraging them to proclaim the Gospel with boldness and confidence. All of that is a little beyond the comfort zone where most of us live our lives. This week, reflect on how the Holy Spirit may be calling you out of your personal comfort zone.
